Club "Skinner"

As this slogan says, this is what we hear when our visitors and lately some members are saying when they come in from playing a round of golf. This time of the year with all the wind makes it sometimes impossible not to utter swear words but it is forgiven under these circumstances.

Sonder twyfel bly dit maar net lekker om op die mooi baan van ons te speel. Ek gesels gereeld met ons lede asook ons besoekers en almal is dit eens dat Mosselbaai Golf Baan onder die bestes tel wat hulle al gespeel het.

I am amazed by the beauty and tranquility of our course yet people tend to play all around Mossel Bay and do not realize what we have. As a member, it is my duty to tell everyone about MBGC.

Steven ons "Green Keeper" se program is vol die volgende paar weke met die Hollow-Tining en die 4de setperk wat ons oor bou en vra byvoorbaat verskoning oor die gewerkhof op die baan, maar as ons oor n' maand of 2 terugkyk sal ons beslis die verskil sien. Die oefen setperk kom mooi aan en het al sy eerste sny gehad.

Our ladies yet again come to the party with their "Spring Golf Day" and we enjoy the day with them. We as a club are so proud of our ladies, if you need help they are always willing to go the extra mile.

To the "Mossel-Krakers" we appreciate you as a group and enjoy having a chat every Tuesday and Friday... My aim is to be like them when I am their age. Most of the days I hear them laugh and chat in the Upper Bar area long after the last shot were played... keep it up!

Dan het ons nou ook n' nuwe groep "ou ballies" wat elke Maandag ons kom vermaak met hulle verskillende "Golf Swings" Die Grysbokke se getalle is besig om mooi te groei en dit maak ons baie opgewonde. Sonder die ondersteuning van die die verskillende groepe gholfers is ons as 'n klub maar verlore....well done julle!

Ter afsluiting wil ek my oopregte dank gee aan al die personeel wat uit hulle pad gaan om al ons besoekers en lede welkom te laat voel asook om Die Klub te bevorder soos dit hoort. Trots op julle.

Caddies

A meeting with our caddies bring sometimes more questions than answers. Any club needs them but we also have to uplift our caddies therefore we decided to have at least bib's to identify them, allow 2 of them to help clean the player golf clubs afterwards (not expecting money) and to support them in the caddie league. I ask to make use of our caddies if possible.

News from the course

Steven will start his spring program a little bit late this year due to circumstances beyond his control. We as a Club must sometimes bend the rules when it comes to September and with that, we cause some issues for Steven.

The Hollow-Tining will take place from the Sunday 9th afternoon to the 10th and 11th and the course will be completely closed over this period. We will however open the driving range and putting green.

Die 4de setperk is besig om mooi te vorder en ons behoort in die volgende week die gras terug te sit. Die nuwe sandkuile sal ook gebou word dan wag ons vir die herstel wat ons glo spoedig sal wees.

Die oefen-setperk kom mooi aan onder die omstandighede. Ons het regtig gehoop vir warmer weer wat ons toe nie gekry het nie. Sodra die setperk herstel het, sal ons die oefen-sandkuil ook klaar maak.

FAST FACTS

Tees...Who Needs 'em? – Long before the advent of tees, golfers played off of hand-built sand piles. That all changed, of course, when tees were invented, gaining popularity during the 1920s.
