BUDGET 2016/17

Thank you kindly to the members that braved the evening weather to attend the important Special Member Meeting on 2 June to cast their votes and opinions on the proposed budget. This year the budget grew considerably due to the buildings and restaurant being added to the portfolio. The majority members present approved the budget by exercising their democratic right to vote. Here are a few of the most relevant points approved that evening:

- Greenfees and subscriptions have been increased by roughly 8%.
- Member green fees will be R130 per round from 1 July 2016.
- Unlimited golf package returned.
- A new 75 round package was introduced. Packages consist of 10, 25, 50, 75 and 100 rounds.
- 50 membership specials for new members on offer @ R3500 - including 10 rounds.
- Members that buy 50, 75 and 100 rounds can add on later in the year at the original purchase price. Should rounds be left at the end of the year the value, measured at the original purchase price, can be carried over to the next year, provided that the membership is renewed.
- No entrance fee but the R250 capital contribution remains in place.
- PLEASE NOTE that monthly payment options are available at a 10% admin fee.
- We budget for a nett profit of R285 000-00.

We still have some copies left of the complete budget for those that missed the meeting. In conclusion I want to thank the people involved in this massive project, as well as our loyal members that help to keep this huge business afloat in super difficult times. I believe we can bank on your continued support as well as your involvement in the many planned developments and functions. Thank you to those who have already paid their subs for the new year.

WORK ON PREMISES

Parking area. The contractors started laying the paving after which the ring-roads will be tarred. The first phase is expected to be completed at the end of June. The next phase will probably be divided into two parts in an attempt not to cause parking restrictions that will disrupt proceedings. More news to follow once we get the site meeting report from the contractors.

Offices to let. The unfinished buildings are currently being renovated and we are awaiting applications to rent the 4 offices. Interested parties must send a mail (stating the nature of their intended business) to louw@mosselbaygolfclub.co.za expressing their interest to rent. The area is 30m² and will be rented out at R3000-00 + Vat. Golf related businesses is preferred at this stage.

OORNAME VAN RESTOURANT

Soos meeste lede reeds weet verstryk die kontrak met Greenways Restourant die einde van Junie 2016. Die oorname word beplan vir 27 Junie. Die restourant sal waarskynlik daardie dag gesluit wees vir die voorraad en oorname proses. Die nuwe restourant sal bekendstaan as Seaviews Restaurant en SUNEL ROOS is aangestel op kontrakbasis om die restourant vir die eerste 6 maande te bestuur. Baie dankie vir haar en al die personeel en Raad wat betrokke is by die beplanning wat reeds maande gelede begin het.

And In Other News... Is That A New Hazard?

This clip, from Buffalo Creek in the USA, shows off the most aggressive hazard you'll ever see on a golf course. Hopefully we won't see too much of it over here!
