OORNAME VAN RESTOURANT

Soos meeste lede reeds weet verstryk die kontrak met Greenways Restourant die einde van Junie 2016. Namens die Klub wil ons vir Tony en sy personeel bedank vir die diens wat hulle die afgelope 5 jaar aan ons as lede gelewer het. Die glimlagte, klein koekies en perfekte voorbereide eiers was gewaardeer al is dit nie altyd oorgedra nie.

Ons groet met lekker herinneringe.

Die Klub neem die restaurant oor en sommige van die bekende gesigte sal nogsteeds daar wees. Ons sal poog om dieselfde diens en gehalte te verskaf en om die oorgang so pynloos as moontlik te maak. Ons het egter die kennis en ondervinding opgesluit in ons lede nodig om ons te help met hierdie projek. Daarom nooi ons alle lede wat voel dat hulle 'n bydrae kan lewer in die beplanning, daarstelling en bedryf van die restaurant om met die Bestuurder kontak te maak.

TAKEOVER OF RESTAURANT

As most members are already aware the contract with Greenways Restaurant terminates at the end of June 2016. We as a Club want to thank Tony and his staff for the service that they provided to the club during the last 5 years. The smiles, the little biscuits and the well prepared eggs were appreciated even though we did not always convey it.

We say good bye with fond memories.

The restaurant will in future be managed by the Club and some of the familiar faces will remain. We will endeavour to maintain and improve the service and to make the transfer as smooth as possible. We do however need the assistance of our knowledgeable and experienced members to support us in this venture. We therefore invite anybody that feel they can contribute in the planning, establishment and growing of the restaurant to contact the Manager.

The Proof Is In The Pudding - The 10 Metre Guarantee

TaylorMade are so confident that their Driver will get you further than you have ever been before, and they are prepared to put themselves on the line.

Here's how the session works:

- At your allotted time, you bring your Driver* down to the range.
- We have you hit a dozen shots with the old club, recording your average distance.
- We then take a few minutes to work on your swing and analyze your key metrics before fitting you into a custom TaylorMade M2 Driver.
- We then repeat the test, once again comparing the average distance.
- Will you gain 10 extra metres? We believe so.

Here is our guarantee:

If we can not gain you an extra 10 metres off the tee with the new TaylorMade M2 Driver then you will receive a TaylorMade Cap and sleeve of Golf Balls.

No risk, and a great reward.

"An extra Ten Metres
off the tee, or you
get a sleeve of golf
balls and cap free."
