Homeowner's news

Dear, Golfers and Friends

This is to give feedback on the HOA Golf Day to be held on Sunday, 4 December 2016.

At this stage, we have managed to collect around R23 000-00 in cash from twenty plus sponsors. There are still more “promises” to be collected.

The value of prizes (plenty) at this stage, is around R34 500-00 and there are still a number of prizes outstanding. Over 40 sponsors donated to date and I think we will turn around the 50+ sponsors.

We are worried about the number of bookings for players on the day. There are still a number of four balls open.

Can I please request you to assist with filling up the day amongst friends, family and other, to support our golf day? I also think there are a number of people who are still under the impression that this is a HOA day only.

Please be advised that the day is open to all golfers!

Bookings can be made with Lizette at Reception.

Your support will be appreciate.

Regards

Martin Smith

News form the course

Steven would like to stress the point regarding the repair of pitch marks as well as divots. It is imperative that we repair pitch marks as soon as possible. A pitch mark that has been fixed to late takes 3 times longer to recover. Make use of our sand to fill divots, December lies ahead and without your help, it is a lost cause.

Toilets on the course

I know that there are some real concern regarding our toilets out on the course. We added some small padlocks to lock the toilets at night and we will open it in the mornings again.

We have noticed that it is quite dark inside and we are working on a solution to get that sorted. Please be patient in this regard.

Our cleaners go out every day to clean the toilets but we cannot blame our staff if we as golfers abuse these facilities. We will continue with the necessary cleaning but it is up to you the golfer to leave the facility at all time neat and tidy.

SeaView Restaurant

To all our members, we are absolutely committed to make this an eating experience and our aim is to deliver the best for the lowest cost.

I would like to apologize for any inconvenience caused this past Wednesday regarding our grab and sit down. Things did not worked out as planned but we will continue until we are satisfied with our service delivery.

Please note that we will cater for all needs. Please talk to our staff (Sunell, Calvin and myself) if you got any new ideas.

I ask all our members to work with us in this regard.
