BOOKING SYSTEM ANNOUNCEMENT

As time moves on we see certain developments that we feel will be beneficial to the Club. One of them is an electronic booking system which will replace the lists at reception as we know it. PLEASE NOTE that this process will be implemented on Friday 22 April. As of Friday members will be able to book by following one of these steps:

- Booking terminal —A touch screen is installed at the front desk where members can swipe their Srixon membership card to gain access. The same bookings as usual can be made by clicking on the relevant dates and time slots, and it can also be done two weeks in advance as usual. Members can also book a 4 ball by entering their playing partner(s) names. This facility is not accessible for visitors, but members will be assisted on how to make provision for visitors.
- Website Members can also book from the comfort of their own home by following the easy steps as described below:

Booking On-line

- 1. Online booking can be done 14 days in advance from 07:00 by going to http://www.teesheet.co.za/
 - 1.1 Select the Club "Mossel Bay Golf Club"
 - 1.2 Enter South African ID Number.

If your ID has not been captured on the system the following message will appear

No such user exists at the club. Please contact them to update your record.

- 4. To check your future bookings select "List All Future Bookings"
- 5. You can delete the bookings you have made or delete your name in any booking made on your behalf.

PLEASE NOTE that all bookings will be 'real-time' and it will be on a first-come-first-served basis. We are aware that this will be something new to learn and get used to, but as usual our friendly staff will be more than willing to assist where needed.

BUDGET

We are currently in the planning stages of the budget preparation. Keeping in mind the sensitivity of this matter and the increased financial demands on members and visitors alike, we would like to invite interested members to get involved in any field where they may have expertise that can benefit the process. Please feel free to contact the President Mr Paul Brits with your suggestions or comments.

PLEASE NOTE that the Winter Knockout entry lists are out. Members wishing to participate in the singles and doubles event must enter their names.

Entries close end of April.

SPRINGBOK RAMME TE KOOP

Die Raad het besluit om die bestaande dominante ram en 4 van die nageslag jong ramme te verkoop op 'n tender basis. Die dominante ram is 'n baie besonderse dier met 'n stewige nageslag wat vir die Klub goeie diens gelewer het. Hy is ook wat bekendstaan as 'n Rowland Ward trofee ram met 15½ duim horings wat hom uiters gesog maak. Daarom het ons hom in die mark gesit teen 'n reserwe prys van R20 000-00. Tenders kan aan die Algemene Bestuurder per e-pos gestuur word en tenders sluit 29 April om 17h00. Vir meer fotos en besonderhede kan aanlyn besoekers gerus klik op die volgende skakels:

UITNODIGING VIR 5 DAG LEDE

Na ondersoek is daar bevind dat ons Saterdag kompetisies gereeld stiller tye het waar niemand speel nie. Gevolglik het die Raad besluit dat daar 2 vierballe (een vir mans en een vir dames) per Saterdag gereserveer sal word vir 5 dag lede wat van die geleentheid wil gebruikmaak om teen normale ledefooie te speel. Die besprekings sal ook op die standaard metode gedoen word soos in hierdie nuusbrief geadverteer.

Main Reason for the Net Loss is still the revenue lost due to Bad Weather we experienced last year as this impacted on loss in Greenfees, Bar Sales, Driving Range Sales and Golf Cart Rentals. Also, fewer members joined than anticipated and that resulted in a decline in Subs Income.

Louw & Team

Dear Golfers,

Playing with worn grips is like driving with bald tyres; add any moisture to the mix and you're going to veer off course, and probably end up in a bush or under a tree!

Re-gripping your clubs (as we've proven with our "GolfBusters" test below) is a simple, quick and cost effective way to maximize the impact of every swing; delivering extra clubhead speed as well as greater consistency & accuracy. That's why we're proud to announce this fantastic newsletter offer:

With this offer you're not only getting free grips, you're also getting expertise. We'll make sure that you end up with the grips (type & size) that offer the best balance between feel, durability & traction; it's a great way to ensure that your score is representative of your swing. Our grips in stock range from R75 to R110 each including fitting.

Contact us if you have any questions.

Terms and conditions:

- An Iron set is a minimum of eight irons
- Maximum three Woods
- Applicable in April 2016

GolfBusters: How Important Are Fresh Grips?

For "optimal performance" experts recommend that golfers replace their grips every 40 rounds, yet the results of our golf survey last year found that over 70% of golfers hadn't changed their grips in the last 12 months; and over 20% of you had never re-gripped your clubs!

Are the experts wrong, or are we just lazy? We wanted to find out, so we found a member with some of the dirtiest, most worn down grips we'd ever seen and started him swinging.

Club Head Speed 2.46 mph increase

THE TEST:

- Our volunteer hit 12 shots with his current club
- We removed the best and worst, then recorded average distance and dispersion of the 10
- We fit the volunteer's club with a fresh, correctly sized grip, then repeated the test

Clubhead Speed

A tight grip requires tension of the muscles, and this restricts a free-flowing swing. Fresh, tacky grips create trust, and allows relaxed muscles to be used to maximum effect: to expand and contract to create club head speed.

Ball Speed 5.72 mph increase

Ball Speed

The biggest performance benefit wasn't speed, it was efficiency. The extra grip on offer allowed our testers to keep the clubface in position, drastically improving the quality of their ball strike.

Distance

More clubhead speed, with a more efficient strike; when we combine these factors we have the recipe for distance, and our testers didn't let us down. Not even a brand new driver can promise 12 extra metres!

Distance 12m increase
