-SKINNER-COURSE-TIPS-RESTAURANT

Club "Skinner"

Dis weer daardie tyd van die jaar waar Kersfees goedere orals opgesit word en dit maak twee goed in ons wakker. Eerstens is daar 'n gevoel van opgewondenheid oor al die mense wat kom om hulle hard verdiende geld hier by ons te kom spandeer en dan terselfdertyd sak ons gemoed as ons moet dink dit gaan nou weer 'n hele rukkie vat om van punt A na punt B te gaan.

Ons by Mosselbaai Golfklub is oor die vooruitsig baie opgewonde want ek weet met die restaurant wat op volle sterkte besigheid doen, gaan ons beslis meer as net golfers kry wat ons Klub gaan besoek. Ons beoog om soveel moontlik besoekers te trek.

Wat ons golfbaan aanbetrif sal julle saam stem dat daar weer baie gepraat raak oor die wonderlike toestand en instandhouding van ons baan,

Steven en sy span werk onverpoos voort om die baan op sy beste te kry vir die seisoen. Ons by die Klubhuis is besig om ons standaarde op te tel en seker te maak dat ons lede en besoekers die gevoel kry dat hulle by 'n eerste klas golfbaan kom speel. Die missie wat ek het, is vanaf die oomblik wat die golfer/besoeker in ry by die hek totdat hy hier vertrek

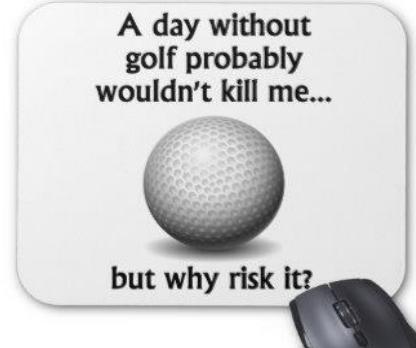

sy ondervinding sal wees van goeie diens en groot ervaring.

Daar is ook 'n nuwe gesig wat julle seker al gesien het as julle inry by die hek. **Cia** het ons oorgeneem by Steven om ons te help met kliente diens. Hy help om die golf sakke, golf karretjies en ook om ons voorkant skoon en netjies te hou. Gee hom 'n kans om sy voete te vind en ek is seker ons gaan die verskil sien.

Ons beoog pizza aande by die klub en wil graag almal nooi om die aande te ondersteun. Ons nuwe Chef Calvin het dadelik sy stempel afgedruk en met 'n paar nuwe idees na vore gekom. Ons is baie opgewonde oor sy aanstelling en kan nie wag vir nuwe disse op ons spyskaart.

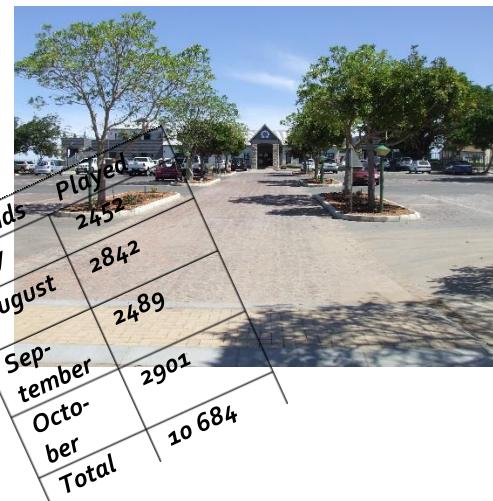

Sunell Roos sal so spoedig moontlik haar oorspronklike rol as bemarker opneem en sodoende die inkomste van die klub deur borge en funksies verhoog. Haar rol sal dan ook die weeklike kommunikasie aan ons lede wees van wat gebeur in die klub. Ons nuusbrief sal maandeliks wees met kort nuus flits weekliks.

Baie dankie vir al julle geduld die afgelope paar maande. Weet net ons doel is om die klublede se vertoue te herwin en trots te wees op ons produk.

Golf Car Hut

All is on track with the settlement of the GCH and we will start making it presentable for the time being, windows and paint will go a long way in doing so. We have our first tenant, Sport psychology and sport massaging.

News from the course

The club is in a great position when it comes to certain machinery, which are utilized only a short period per year. These machineries are quite essential for any club to survive, however there are some clubs in and around Mossel Bay that have a shortage of these machineries. We as Mossel Bay Club decide to allow our equipment to be rented out on case per case basis to strengthen our income, which in turn subsidize our monthly commitment to the bank.

This process follows a strict policy regarding the rentals thereof. There are contracts in place that covers the club regarding maintenance as well as offsite transport. I can assure each member the rental of our equipment are not done without proper paperwork in place.

We will welcome any feedback regarding the above and will work through any suggestion without hesitation.

Our program regarding the course has been followed as best as the weather allows us and our aim is to deliver the best playing conditions to our members day in and day out. Steven and his team are committed in driving excellence....

As we said in the manager's report, the restaurant has a new chef and we believe our members will notice the difference.

A couple of new item will be added to the menu with serious test to the taste buds. Our Texan and Jalapeno dish is not for the fainthearted but extremely tasty.

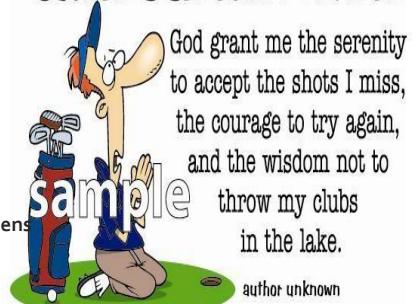

Our pizzas will start coming out of the kitchen and our plans are to have Friday nights a pizza festival at the club and will send out more information in the next couple of days.

Come and enjoy yourselves.....

Tips

Driving Excellence

Please see the following our team works on:

- Rakes at the bunkers facing the same way
- Clear definition between fairway and semi rough
- Standard mowing heights for the different playing areas
- Our Tee-Boxes to be clearly defined
- Average roll on the greens – our aim is to consistently allow 9.5 on the stim meter reading
- Smooth raked bunkers – sometimes not that easy with our bunkers because lack of drainage
- Nice striping when mowing the fairways
- Consistent rough coverage
- Tee markers correctly placed
- Divots and Pitch marks to fixed a.s.a.p.

CLUB/MEMBER INFORMATION

Ooievaar

Baie geluk aan Lizel Malan en Mike met julle pragtige klein meisiekind, mag sy net vir julle vreugde verskaf. Aan Oupa Wiekus en Ouma Annette Pretorius, stoot daai bors uit van trots julle.

Erelid

Geluk aan Annette Meyer met haar benoeming as erelid van Mosselbaai Golf Klub

Driving Rang

Maak asb. gebruik van ons oefenbaan (driving range). Ons beplan 'n maandelikse lidmaatskap wat sal verseker die kostes goedkoper sal wees asook om die oefenbaan op te knap.

Lede besoekers

Soos u weet is ons die afgelope tyd besig om te kyk hoe ons ons lede wat besoekers bring te help. Ons het die volgende wat ons na julle bring.

Ons het op 'n boekie stelsel besluit baie soos die van die "driving range", wat u by Lizette kan koop.

10 kaartjies	= R 2500.00
5 kaartjies	= R 1300.00
1 kaartjie	= R 275.00

Elke lid kry die voorreg om 10 besoekers te nooi deur die jaar en kan enige tyd gebruik word, so Desember maand kan u besoekers nooi en ons afslaan-tye vol maak.

Die voorwaarde is nog steeds soos in die verlede en dit is dat u as lid saam met die besoekers moet speel.

Ons sien uit daarna vir u ondersteuning in die verband.

My voorstel sal wees dat u vroegtydig gebruik maak van die geleentheid.

In all types of massage, the therapist has specific aims in mind, and in sport, we focus on the individual needs of the athlete. With the ever-growing number of people taking part in sport, combined with the increasing competitiveness and intensity of physical exercise, the demand for sports massage is also increasing and becoming more and more recognised as a skill, which may aid recovery and enhance performance.

Mental Golf Coaching

When you consider Mental Golf Coaching, you can ask yourself these three questions:

- Are you a better golfer than your current results show?
- Do your confidence and consistency disappear on competition day?
- Do you lose concentration after a bad shot, and it affects your score?

Don't worry! Most golfers go through these problems. The good news is that these can all be overcome – because if your mind can create these problems, it can just as easily solve them as well.

Brining in some mental training techniques are one of the best ways to overcome problems, take your game to the next level, and lower you handicap even without changing a shot in your repertoire. Most golfers can dramatically improve their scores using mental training techniques, which consist of using strategies on the course during the heat of competition (such as using visualization, self-talk, and getting into the optimum mental state they call "The Zone"), whilst also using some various methods off the course as well.

FUN FACT!

DID YOU KNOW?

- 23% of professional golfers are female.
- One 18-hole round can burn up to 2000 calories.
- 80% of all golfers will never achieve a handicap below 18.
- You can hike up to 5 miles during a 18-hole round of golf.

DID YOU KNOW

That golf balls travel significantly further on hot days.

A golfer swinging a club at around 100 MPH can add up to an additional 8 yards in drive length for each 25°F increase in air temperature.
