LOCAL RULES

We want to continue reminding members that the placing rule has been amended from one club length to one card length. We find that, despite it being widely announced, a lot of players still seem to be unaware of the change.

We want to plead with members to help us by repairing their (and other) divots and pitch marks, as well as staying out of the environmentally sensitive area between the 10th and 11th holes. We are not able to be everywhere at all times, and thus would appreciate being notified if members notice the misuse of our course by any golfers. It is always easier to deal with an incident the moment it happens, rather than weeks later.

INSTALLATION OF NEW IRRIGATION MAIN-LINE

We are asking for the patience of members and visitors playing the course whilst the process of upgrading our irrigation main-lines are underway. Do not be deterred by the blue pipes that are scattered all over some of the holes, for the subcontractors are working day and night to finish this mammoth task of laying the more than 6km of 8 inch PVC pipes. This is part of our capital expense programme for which Nedbank approved a 5 year term loan.

It is important that both members and home-owners be informed about this process, as it is a very sensitive and finely balanced exercise for the following reasons:

- The impact on the playing conditions, and for this period markers must use their discretion when play comes into contact with the operations. We apologise for the inconvenience, but wish to stress the importance of this move.
- The upgrade was discussed in Board meetings for many years, and now it has materialised.
- Apart from the cost the biggest threat in this procedure is the small window within which we will be able to perform this upgrade. The season is turning and the days are getting longer, and with it more sunshine and warmer winds. With the project underway some of the areas will be blanked off and thus we will not be able to irrigate. We are also at the beginning of the growing season, and at the same time we plan to hollow-tine in early October. I think members will understand the sensitivity of the whole operation.
- The Golf Club and the Golf Estate is a very sensitive environment where a variety of individuals have to co-exist in harmony. For the Golf Club and its management this harmony is a matter of priority, and that is the reason why we have to communicate the steps to be followed. We hope to be finished as early in October as possible.
- For us to achieve our goals the sub-contractor have to perform certain procedures which includes working at night. To achieve this we obviously have to be sensitive not to disturb the home-owners, not to create a security risk whilst at the same time trying to keep ahead of schedule.

We want to thank members and the home-owners for their patience during this important process.

PERSENEELLID VAN DIE MAAND

Die Bestuur het dit goed gedink om maandeliks 'n personeellid uit te sonder wat buitengewoon presteer en Augustus se wenner is BENSON DAYENI. Benson is alreeds vanaf 2003 werksaam by die Klub, en vanaf 2006 in diens van die Klub as skoonmaker.

Hy is bekend vir die manier waarmee hy lede versorg en die vriendelikheid waarmee hy sy take verrig. Hy is baie lojaal en as beloning daarvoor is hy deur die loop van hierdie jaar bevorder tot "House-keeping Manager". Sy toewyding en getroue diens is vir die Klub 'n groot bate en hy is 'n voorbeeld vir sy mede personeel.

Danksy die vriendelike samewerking van GREENWAYS RESTAURANT kan die gelukkige wenner 'n ete van sy/haar keuse geniet geborg deur Tony Scholtz van Greenways.

Baie geluk en baie dankie Benson! Geniet jou ete!

VRYDAGAANDE VLEISTREKKING:

Baie dankie aan Andre Marx, eienaar van Ultra Meat (by die Mikeva Sentrum), vir die borg van ons Vrydag-aande se vleistrekking en Fantastic Friday. Indien jy nog nie daar was nie, is dit nou die tyd om van hulle heerlike produkte aan te skaf.

JUNIOR GOLF

Jordan Duminy AND Martin Vorster participated in The World Golf Junior Championship this year for the South African team, whilst representing the Louis Oosthuizen Academy. The competition was held in Pinehurst, North Carolina, the very town that will play host to the US Open in 2014.

Golfers from 43 States and 43 countries, totalling 1300 descended upon Pinehurst to participate in their different age groups. Jordan, the only South African in the 10 year group competed against 138 participants from all over the world.

Their competition started on a high when a special delivery from Louis Oosthuizen was made to Pinehurst for Jordan and Martin Vorster who participated in the 11year age group. They received golf shirts like those worn by Louis with the South African flag on the sleeve. They each also received caps.

PLEASE HELP US

Our course is in a fantastic condition and we would like to keep it that way. Please assist us in repairing your and other player's` divots and pitchmarks. You can also help by pointing out players that do not have sandbags and that do not take proper care of our course. The systematic destruction of our course must be stopped!
